

0.30-0.80mm Resistance To Scratch Heat Yellowing Stainless Steel Sheet

Our Product Introduction

more products please visit us on stainless-steel-sheetcoil.com

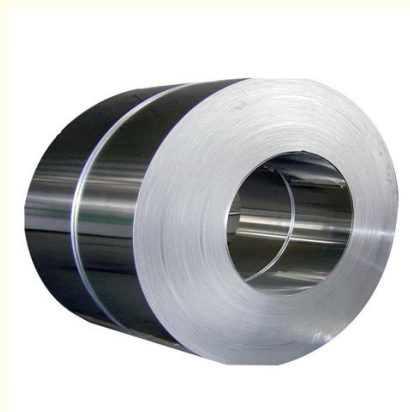

Basic Information

- Place of Origin: China
- Brand Name: Tai-steel
- Certification: ISO-9001
- Minimum Order Quantity: 1 ton
- Price: 1750
- Delivery Time: about 15 days
- Payment Terms: TT payment

Product Specification

- Temperature Resistance: High
- Scratch Resistance: High
- Application: Construction ,Decoration, Industry
- Standard: EN
- Stain Resistance: Strong
- Price Term: CIF CFR FOB EX-WORK
- Corrosion Resistance: Strong
- Type: Steel Sheet
- Highlight: **0.30-0.80mm Stainless Steel Sheet,
Scratch Resistance Stainless Steel Sheet,
Heat Yellowing Stainless Steel Sheet**

Product Description

Product Description:

One of the key features of this product is its exceptional corrosion resistance. It has been specially designed to withstand even the harshest of environments, making it ideal for both indoor and outdoor use. Plus, its strong rust resistance ensures that it will maintain its appearance and functionality over time.

In addition to its impressive durability, this stainless steel product also offers excellent scratch resistance. It can withstand normal wear and tear without showing any signs of damage, making it a great choice for high-traffic areas or areas where it may be exposed to frequent use or friction.

But the benefits of our Stainless Steel Yellowing Resistant product don't end there. It is available in both Flat Plate and Plate shapes, making it versatile and easy to adapt to your specific needs.

Overall, this product is the perfect solution for anyone looking for a durable, high-quality, and versatile decorative stainless steel option. Its combination of Ferritic Stainless Steel, corrosion resistance, scratch resistance, and rust resistance make it a top choice for any project.

Features:

Product Name: Stainless Steel Yellowing Resistant

Rust Resistance: Strong

Length: Custom

Type: Steel Sheet

Hardness: Full Hard

Shape: Flat Plate, Plate

Features:

Brushed Stainless Steel Strip

Automotive Stainless Steel

Yellowing Resistant

Rust Resistant

Applications:

Originating from China, Tai-steel's stainless steel sheet is certified with ISO-9001, ensuring the highest level of quality. With a minimum order quantity of just 1 ton and a price of \$1750, this product is perfect for any construction, decoration, or industry application.

One of the key advantages of Tai-steel's stainless steel sheet is its yellowing-resistant properties, making it perfect for long-term use in any environment. Its high-temperature resistance also makes it ideal for use in high-heat applications, such as industrial machinery.

This steel sheet is also highly versatile, with a custom length and standard sea-worthy packing making it easy to transport and install. Its brushed finish adds a decorative touch, making it perfect for use in a wide range of applications.

Whether you're looking for a decorative stainless steel strip or a reliable construction material, Tai-steel's stainless steel sheet is the perfect choice. With a delivery time of about 15 days and payment terms of TT, you can get the high-quality stainless steel product you need, right when you need it.

Customization:

Support and Services:

The Stainless Steel Yellowing Resistant product comes with comprehensive technical support and services to ensure optimum performance and longevity. Our team of experts is available to provide assistance with product installation, troubleshooting, and maintenance. We also offer regular maintenance and cleaning services to keep your stainless steel surfaces looking new and yellowing-resistant for years to come.
